Dear Conservative Friends,

It was made known to me this morning that the desert's beloved radio voice, RICH GILGALLON, who as you all know is on KNEWS 94.3, has come under fire---quite unfairly--for his political views-----to the point where it may well affect his standing in his job.

I am writing this to urge all of you some time **THIS MORNING** to make a call to the Station Manager, Trisha Batista, of KNEWS and simply voice your admiration and following of RICH. The number to call is: 760-322-7890.

I just called, gave my name, and I simply said, "I am a big all day fan of 94.3 and especially a fan of the great RICH GILGALLON. His is a voice I and my friends treasure and I hope he will be around for a long time to come. Thank you so much."

You may well get voicemail, as I did, so just leave your message.

IT WILL ONLY TAKE A MINUTE FOR YOU TO DO THIS...
.....please do this **TODAY!!!**

Feel free to distribute this email to like-minded friends.

Many thanks

 A GILGALLON, RICH.jpg
