Subject: Simeon Den

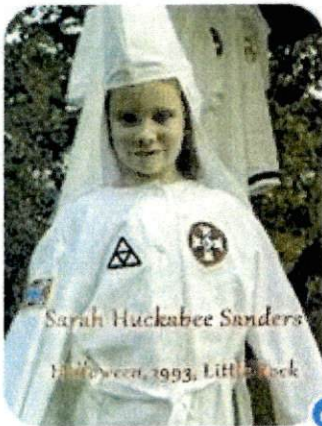

I see that the Agnes Pelton Society is requesting a City sponsorship. The Agnes Pelton Society is run by Simeon Den and I will be addressing my concerns about him working with children and the City putting their name on his event.

This page is best seen on a computer and not a cell phone. If you can, please view it on a computer.

Simeon Den freely uses words on Facebook that he should not be using. He brings up topics that not only are incorrect, but VERY disturbing. Remember, Facebook is open to everyone including children. Here is a list of just SOME of his posts you should consider before moving forward on this.

On behalf of the Agnes Pelton Society and Agnes Pelton, a favorite of lesbians around the world because, you know, she was lesbianish, tomorrow morning at the Rainbow Crosswalk painting we will be donating Starbucks coffee for our troops! Who's bringing donuts? James Price? One of our homophobic neighbors? Oh hell, I'll bring a dozen of cream-filled for the occasion! #gaypride #lesbianpride #lgbt #lgbtrights #eatourdust

Simeon Den Apparently, so are facts these days. That being said, I repost stuff, funny stuff that fits my own narrative & belief system. I don't Google or Snopes everything I read. But THAT being said, I'm intuitive and astute enough to own up to shit when I am wrong and will continue to call out idiots whose arguments lack intellectual muster. Aren't you flabbergasted to see stoopid people speaking their "mind?" They are entitled to their opinions but not entitled to "alternative facts." I'm not the smartest bitch in town but I know chicanery when I see it, especially when someone tries to dupe me. Kathy DeRosa will never get a pass from me 😊

I'm evolving in my language skills by not saying "bitch" or "cunt" anymore so I'm gonna say "twat." This duplicitous TWAT needs a bitch slap!

No? ?? lol

OK. Sorry if you're offended. Move along! Move along! I'm busy here evolving. Not.

I'm a die hard Obama bot. To be fair, if during his first term it was revealed that he had an illicit fuck affair with ummm...someone as revolting as Kellyanne ...

Simeon Den If you took a moment to stop bickering and directed your energy to more constructive efforts we would ALL be thankful. Most people, most reasonable people here read these posts and see that the printed facts are irrefutable. Most reasonable people who see the progress and want that trajectory to continue view these tit for tats as undignified. **Alan Carvalho** may have his faults, we all do, but he is tirelessly showing up to contribute his time and resources in service of the City. **Kathy DeRosa**, I don't think anyone cares that you married your felon husband fresh out of prison or **Dale Jag**

that you host shit & piss parties in your backyard. These anecdotes mean nothing to educated sophisticated voters. They private message me all the time. Nobody cares. Respectfully though, move along.

OMG. Lived here in desert for 8 years and never heard that there is an annual party for Gays who have the shit & piss fetish! Yep. Not just have proclivity to shit and piss on each other people but to EAT SHIT! Literally! How romantic! Not.

Also trying not to be judgmental but, COME ON! Do it in privacy if your own home. The judgmental part of me screams, "That's disgusting!"

Finally,

Professional Standards

The citizens of Riverside County have the right to expect that their elected and appointed officials will carry out their duties in a lawful, ethical and professional manner. They also have the right to expect that administrators, supervisors and the immediate subordinates of elected and appointed officials, who play an integral role in achieving the mission of the officeholder, will discharge their duties and obligations in the same lawful, ethical and professional manner. The District Attorney's Professional Standards Unit ensures that public and appointed officials - and their subordinates - fulfill their legally mandated duties. To this end, the District Attorney's Office will use all resources at its disposal to detect, investigate and prosecute criminal misconduct at all levels of public service.
