Subject: Campaign Video at Senior Center

Good Afternoon Jessica,

Thank you for taking my call today regarding the campaign video that was posted to your Jess for DHS Facebook Page reference the Senior Center. As discussed, the City was made aware of a video that was posted to your Jess for DHS Facebook page that was filmed at the Senior Center, which is a City owned building, in which the city logo was displayed on several occasions. Included in the complaint was a concern with the terminology you used to describe the Senior Center, in which you described it as "our" Senior Center and "our" services. The complainant felt that this terminology implied that are a sitting member of the City Council.

Use of the City logo and City buildings, specifically the Senior Center, in campaign videos and material is not allowed. Please remove the video with this content immediately. We appreciate your understanding, feel free to reach out to us with any questions you may have.

Thank you,

Doria Wilms | **Assistant City Manager**
